WCTRS Covid-19 Task Force Publications

The WCTRS is pleased to make available a list of publications from the members of the WCTRS Covid-19 Task Force on research relating to Transport and Covid-19. The list is available at the following link with web links to the papers that are currently available online, and is available for all to access.

HVT Launches Rapid Response Transport Research Programme to provide guidance for developing countries to deal with the COVID-19 pandemic

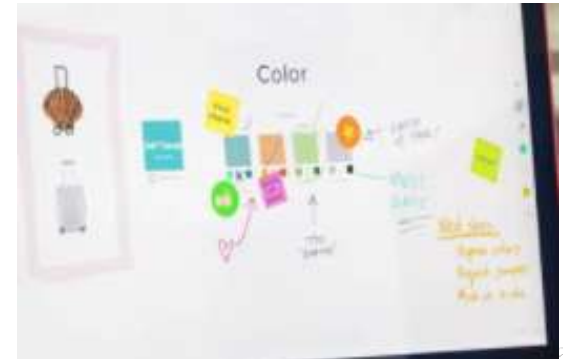

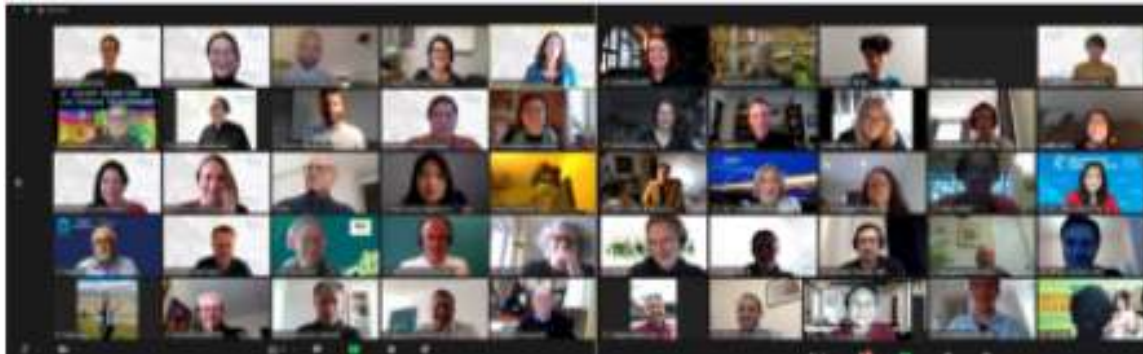

- Common assessment of current interventions could help to guide future actions
- Collect information and experience beyond transport

Gaps and Actions

Gaps and Actions

3. A transformative transport agenda for a Post COVID-19 world

- **Align current investments and stimulus packages with Paris Agreement and SDG – need for targeted initiatives and specific knowledge pieces to inform decision-maker.**

FISCAL AFFAIRS

Special Series on Fiscal Policies to Respond to COVID-19

This is one of a series of notes produced by the Fiscal Affairs Department to help members address the COVID emergency. The views expressed in this paper are those of IMF staff and do not necessarily represent the views of the IMF, its Executive Board, or IMF management.

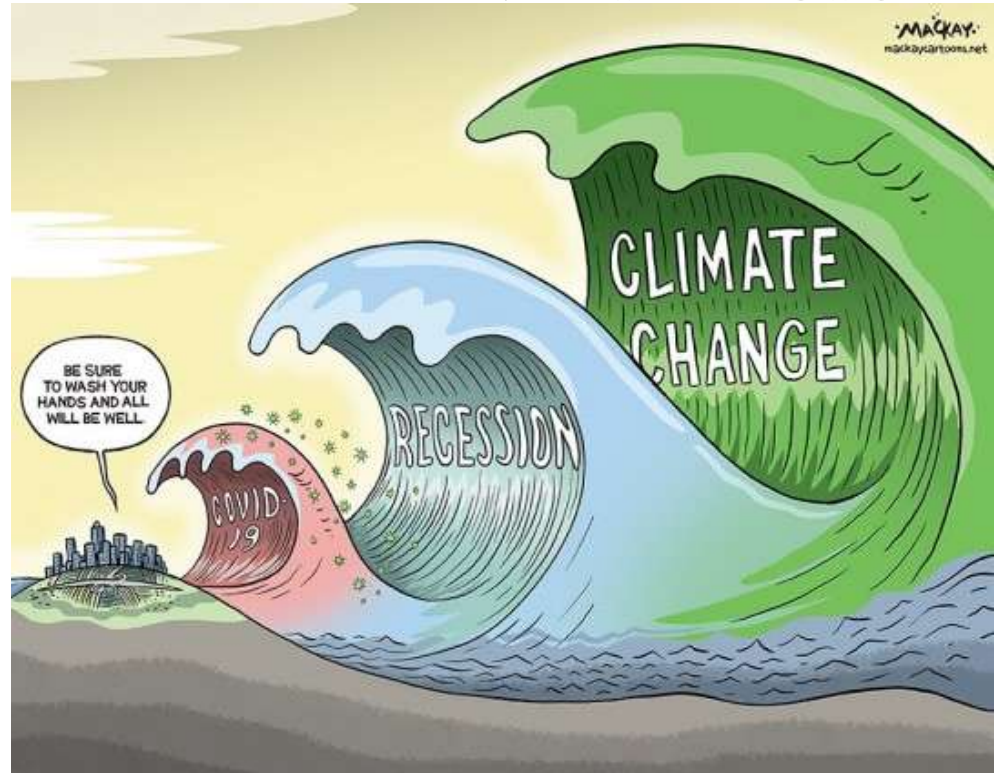

Greening the Recovery

Moving forward

- A) Learning lesson for the Post-COVID-19 world
- B) Guide medium and long-term action towards sustainable mobility
- C) Calls for Action need to align with more actions

The value of gTKP

- Hub for COVID-19 information with a focus on LIC
- Collecting different types of information – from data to policy guidance
- Open to partnership and accelerating existing initiatives and information
- Long-term knowledge hub for sustainable transport

A screenshot of the gTKP website homepage. The page features a dark blue navigation bar with a menu icon, "HOME", "ABOUT", "WEBINARS", "CONTACT", "LOGIN", and "SEARCH". Below the navigation bar is a large banner image of a busy street at night with many motorbikes. The main content area is divided into several sections: "Latest additions to the library" with a table of recent publications; "Global Plan for Decade of Action" with a list of five pillars; "Search knowledge center" with a search form; and "Testimonials" with a quote from Felicien Amakpe. Logos for COVID-19 Knowledge Hub, High Volume Transport Applied Research, ReCAP, and UKaid are also visible on the page.
