Istanbul – the city on two continents – will be hosting the IRF World Congress on 15-18 October 2024.

Organised by the International Road Federation (IRF) headquartered in Geneva, Switzerland, the IRF World Congress has represented, for almost seven decades, an opportunity to celebrate the road and mobility sectors as enablers of growth and development.

Embracing the theme “Connecting to Empower Mobility: Roads as Enablers of a Sustainable Future for All”, the congress will serve as a platform for global leaders, industry experts, academia, and diverse public and private stakeholders to engage in insightful discussions and collaborative efforts, addressing pivotal issues and exploring innovations within the road and mobility sectors.

**Expected audience**
2,000 +

**Exhibition space**
5,000 sqm.

**Participation from**
130 + countries
THE CONGRESS WILL INCLUDE

- Daily Plenary Sessions
- Ministerial Meeting
- 6 Parallel Technical Tracks
- Special Sessions
- Poster Sessions
- IRF Young Professional Labs
- Technical Visits
- Trainings

THE EXHIBITION WILL INCLUDE

- Country & Thematic Pavilions
- Hospitality Suites for B2B Meetings
- Open Stage Café
- Daily Vendor Sessions
WHY EXHIBIT?

Showcase your products & work
Display your latest products, innovations, and projects to a targeted audience of industry professionals and decision-makers.

Grow exposure to clients & partners
Expand your reach and connect with potential clients, partners, and collaborators. Increase brand awareness and build relationships with key stakeholders.

Generate high quality leads
Engage with attendees who are actively seeking solutions and services in mobility. Capture valuable leads and opportunities for future business partnerships.

Network with peers
Meet industry peers, experts, and thought leaders. Exchange ideas, insights, and best practices, explore collaborative opportunities within the industry.

** Ceiling Height  
The ceiling height is 6.80 cm on whole exhibition area. The permitted height for the stands is 3.50 meters maximum.  

** Venue Construction  
Exhibitors are not permitted to:  
- Drill, screw or nail the walls, ceilings, floors or columns of the exhibition areas.  
- Place any heavy loads either on the structure of the walls and columns, or any of the technical Installations of the halls due to decoration or the objects on display.  
- Hang Advertising from the ceilings of the Halls or to affix stand parts, posters or other promotional material to columns, walls, girders, etc. of the PCC within or outside the stand space assigned.  
- Dig trenches, anchorages or to make other structural alterations inside the PCC, unless explicit authorisation has been obtained from the PCC.  

** Electricity, sockets and adapters  
Voltage: 230 V / 50 Hz  
Do not forget to indicate your electrical connection location on the stand design visualization. Power supplies will be supplied into your stand via the floor or via the ceiling. Turkish sockets for 230V/50Hz are not compatible with European sockets so adapters will be required. Please make sure to bring adapters because these will not be available onsite. For equipment from the USA or elsewhere with 110/120V, a transformer is required to be able to connect to 230V. Transformers are not available and should be brought by exhibitors.  
_Important:_ Supplies will be switched on 30 minutes before and switched off 30 minutes after the official Exhibition opening hours.
TECHNICAL INFORMATION

Damage to the Venue Premises
Nails, screws or other fixtures may not be driven into any part of the premises, including floors. Any part of the premise shall not be damaged or disfigured in any way. Should any such damage occur, the Exhibitor will be responsible and will be invoiced for any repair charges.

Water Connection
Water connections are not available for this event.

Liability for Rented Equipment
Exhibitor accepts full responsibility for all rented equipment, such as standard exhibit stand construction, furniture, AV and computer equipment, etc. by signing the order form. The Exhibitor will be charged for any loss of or damage to rented equipment.

Stand Security
Please note the venue and the Congress Organisers cannot accept responsibility for the security of the stands and their contents, for damage or theft of any goods whatsoever.

Surveillance and Security
The venue undertakes the general surveillance service both day and night. Exhibitors are recommended to pay closer attention to the exhibits during the stand construction and dismantling periods. The exhibitors are recommended to secure their stand against theft or damage. Valuable objects, which may easily be removed, should be locked away while not being watched.

Cleaning
The PCO and the venue is responsible for the cleaning of only the common areas. The contractors shall contact PCO for booth cleaning requests.

Gases
Use of liquid gases and helium balloon are not permitted in the venue.

Laser Products
Any exhibitor demonstrating or using laser products must submit full details of equipment that will be used. These details must be submitted to the PCO for final approval no later than four (4) weeks prior to the event. Failure to submit adequate details may result in the display being prohibited.
TECHNICAL INFORMATION

Noise
Exhibitors may not produce noise and/or use amplification of music and/or voice which may be heard outside the space assigned to the exhibitors or which may interfere with or be felt objectionable to attendees or other exhibitors. The volume level must not exceed 70 dB at the boundaries of the stand.

Health and Safety at Work
It is the responsibility of the exhibitor to ensure that its employees, exhibition staff and temporary staff comply with the latest legislation regarding health and safety at work. The PCO or the venue bears no responsibility for non-compliance to this rule by the exhibitor.

Conduct of Exhibitors and Representatives
The PCO reserves the right to stop any activity on the part of any Exhibitor that might be inappropriate for social behavioral terms for other visitors and exhibitors. Business must be conducted only from the Exhibitor’s own stand and under no circumstances may this be carried out from a gangway or elsewhere within the Exhibition. Political propaganda may not occur in the stand or in any other place within the exhibition area. Projected images, however generated, may not play on to aisles or on to other stands.

Revision in Location
The IRF and PCO reserve the explicit right to change the location of display space on short notice, even after initial confirmation, if necessary to achieve the event target.

Freight Forwarder & Logistics Manager
DB Schenker Arkas is the official venue freight forwarder and logistics manager for this event. All shipments and deliveries must be addressed to the forwarder. No shipments/deliveries will be cleared by the venue on their address.

Detailed information on build-up & dismantle schedule, exhibition hours and freight forwarding will be provided to exhibitors and sponsors in June 2024 with the exhibition manual.
